

What to Expect When Visiting Q Labs

May 2021

Thank you for planning a visit to Q Labs! We are continuing to follow all Centers for Disease Control (CDC) and Ohio Department of Health guidelines to ensure that our employees and visitors are protected against the risks of COVID-19 and other illnesses.

Please plan to reschedule your visit if you:

- are not feeling well or are experiencing symptoms of any illness on the day of your visit or
- have been exposed to anyone who has tested positive for COVID-19 in the past two weeks and you are not fully COVID-19 vaccinated

Our procedures are as follows:

- All common areas, surfaces, and conference rooms are cleaned on a regular basis
- Offices and conference rooms are set up to maintain social distancing
- All employees and visitors must wear a face covering when social distancing cannot be accommodated. Q Labs will provide you with a mask if you don't have one

Please reach out with any questions or concerns. We look forward to seeing you in a safe and healthy manner!
